*Costs are from the Children's Home Society of California's Child Care Resource and Referral KIDCARE database. All of the care providers on our database are licensed providers, however, not all licensed care providers choose to be listed on our database. CHS currently has about 80% of all licensed care providers in Orange County listed in our database.

**Family Child Care providers care for children in their homes and are licensed as follows: Small child care- 1) 4 infants only, 2) 6 children, no more than 3 of whom may be infants, 3) 8 children, no more than 2 infants, and 2 must be 6 years of age or older. Large family child care- which requires a full time assistant to work with the licensed care provider- 1) 12 children, no more than 4 of whom may be infants, 2) 14 children, not more than 3 of whom may infants and 2 must be 6 years of age or older.

***Child care centers include private-for-profit centers, parent-run cooperatives and church-based non-profits. The state regulates the ratio of caregivers, square footage and staff qualifications.
